GENL & REV. SECRETARIAT

To

The Private Secretary to His Holiness
the Jagadguru Shri Shankaracharya
of Sri Sringeri Mutt, Mysore.

SIR,

Re. the purchase of the other half of Jodi Dyavasandra Village, in Hoskote Taluq, by the Sri Sringeri Mutt.

GENERAL SECRETARY
29 JULY 1940

I have the honor to forward herewith, for reference and kind return, the entire correspondence ending with letter No.S2-2799/36 dated 29-6-1940 from the Deputy Commissioner, Kadur District, on the above subject, and to state as follows.

Half the portion of jodi Dyavasandra village, in Hoskote Taluq, along with half the portion of S.No.3 in Uralagere village was gifted to the Sri Sringeri Mutt by one Mr. Budegere Gundu Rao, in the year 1914, for perpetuating certain sevas to Sri Saradammanavaru at Sringeri. It is reported that the other half of the jodi village and the S.No. referred to above, have been gifted to the donor's daughter, the management thereof being left in the hands of his son-in-law, one Mr. Satyanarayana Rao, Vakil, at Anantapur. As no income was being derived by the Mutt since 1926-27, the Officer-in-Charge of Sringeri Jahagir correspondended with Mr. Satyanarayana Rao about the proper management of the jodi village and remittance of half the income derived from the village to the Mutt, and came to the conclusion that there was no other way except to assume the management of the entire village on behalf of the Mutt and take the Mutt's share of income, as Mr. Satyanarayana Rao expressed his inability to manage the estate. The Deputy Commissioner, Kadur District, in his letter dated 9-9-1937 (enclosed), recommended sanction to the proposal of the Officer-in-Charge, to take up the management of the entire village.

The Deputy Commissioner of Bangalore District was consulted in the matter, and from his letters dated 14th May 1938 and 15th July 1938 (enclosed), it is seen that the Jodi village is 236 acres 2 guntas

in extent, of which 86 acres and 19 guntas are uncultivable, the survey assessment thereof being Rs 242-2-0, and that the income from the village is Rs 220, out of which Rs 178-14-0 have to be paid to Government and the balance of about Rs. 41 distributed among the jodidars. As the question of the Mutt assuming the management of the entire village involved certain difficulties like recovering the charges of management from the party, the question of purchase of the other half of the Jodi Village was moved, but was dropped as the party demanded a high price of Rs.3,000/-. Later on, Mr. Satyanarain Rao himself raised the question of purchase of ~~the~~ his half of the jodi village by the Mutt and has finally agreed to sell it for Rs.1000/-.

The Officer in Charge has reported that the offer of Mr. Satyanarain Rao to sell ~~the~~ his portion of the village for Rs.1,000/- may be accepted as the total income from the village is about Rs.50/- at present and as there are possibilities of realising a larger income if the village is properly managed and proper survey of the village made. The Deputy Commissioner, Kadur District in his letter dated 1st June 1940 (enclosed) has recommended sanction to the purchase of the village and His Holiness also has desired in his ~~Ma~~ Nirupa dated 17th April 1940 (copy enclosed) that the village may be purchased by the Mutt, the charge being met from the funds of the Mutt to which Sri Lakshamma's Puduvat Endowment of Rs.495/- and a loan amount of Rs.500/- relating to the Bangalore Patasala Fund are reported to have been credited, and half of the income to be derived by the purchase of the village being distributed equally for utilisation towards the two funds referred to above.

In the above circumstances, I request you to be so good as to obtain sanction of Government to the Deputy Commissioner's recommendation for purchasing the other half of the jodi Dyavasandra Village for Rs.1000/- from Mr. Satyanarain Rao, the charge being met from the funds of Sri Sringeri Mutt as suggested by His Holiness.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.
